I sent you a telegram yesterday from Gudalur requesting you to move the Mysore Durbar to withdraw all penalties for sending in false returns of ragi stock. Ragi is available i Mysore but the ryots are afraid to bring it out and to sell to our merchants because if they do so the Mysore authoritie will at once become acquainted with the fact that stocks of grain which have not been shown in the returns are in the po session of these ryots. It seems to me that freedom of move ment of grain stocks in Mysore and the flow of ragi into the markets will only be restored if the ryots are given the ass ance that no penalty will be levied. The withdrawal of maxi prices has had some effect in this direction but the markets are still without stocks and the further steps I have sugges are necessary in order to enable me to obtain supplies. Wit the return of food stuffs into markets the necessity for com mandeering will also disappear.

I see that the Director of Civil Supplies, Madras desir a Conference to be held in Bangalore on Saturday next. If s
